Offer a Paper Now for Global Eco

There has never been a more important time for the ecotourism industry to come together to collectively work to recover after a year of unprecedented impacts. Now more than ever we need to share our expertise and experiences. Now more than ever we need to question and review the status quo. Contribute your expertise through offering a paper in the two concurrent sessions within the Global Eco Asia-Pacific Tourism Conference program

The theme for the 2020 Global Eco Conference is: ***“Revolution, Driving Evolution”***.
